Subject: Erosion Consultant - FERC Relicensing

Hi All, FRCOG staff have been working with the CRC to prepare a RFQ to hire an erosion expert to help us present a strong case to the FERC and MADEP that FirstLight should be responsible for taking steps to prevent and mitigate erosion under the new License. Do you think your town would be willing to contribute funding towards the erosion consultant similar to how your town is helping with legal expenses? We would appreciate a contribution of \$2,500 from each town if possible. FRCOG staff will also be requesting funds from the FRCOG Council to contribute towards this expense. Please let me know if you would be willing to present this additional funding request to your Select Board. Thanks Peggy
