

The People's Office **Library Tour!** with Senator Jo Comerford

Libraries are vital institutions in our communities. They serve as gathering places, educational and cultural resources, introductions to literacy, and so much more. To celebrate the central role libraries play in our communities, Senator Jo Comerford will be traveling to a library in each of the 24 cities and towns in her district from October to May.

Join Jo for an informal gathering at your local library to learn more about the work she's doing on your behalf in the legislature, ask questions, and join in on the conversation about issues affecting your community.
